**PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED PATENT
APPLICATION UNDER 37 C.F.R. 1.137(b)**

Dear Sir:

Petitioner hereby petitions for the reinstatement of the above-identified patent application. Petitioner has received a Notice of Abandonment dated July 24, 2008. This abandonment was caused by an unintentional error. Petitioner attests that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

Following receipt of an Office Action dated December 6, 2007, Petitioner submitted an Office Action Response on February 6, 2008, which is within the 2 month date as described in MPEP 706.07(f). No Advisory Action was mailed by the Examiner. Because the Petitioner submitted an Office Action Response within the two month period, the shortened statutory period expires on the date the Examiner mails the Advisory Action and the extension of time fee is calculated from the date of mailing of the Advisory Action. (see, MPEP 706.07(f)) In this case, since no Advisory Action was mailed from which to calculate the extension of time fee, Petitioner believes that no extension of time fee is required. However if this position is in error, Petitioner authorizes any required extension fees to be charged to Deposit Account 50-3581 (GUID.142PA).

App. Serial No.10/734,599
Docket No. GUID.142PA
Petition to Revive

Please charge Deposit Account 50-3581 (GUID.142PA) in the amount of \$1,540.00 for the Petition fee. Authorization is given to charge additional requisite fees to the above Deposit Account, including any required extension of time fees to complete this filing.

As required under 37 C.F.R. 1.137(b), Petitioner is enclosing a Request for Continued Examination in response to the December 6, 2007 Office Action. Authorization is given to charge Deposit Account No. 50-3581 (GUID.142PA) in the amount of \$810.00 for payment of the Request for Continued Examination.

Petitioner respectfully requests favorable consideration and the Petition for Revival of an Unintentionally-Abandoned Application be granted. If a telephone conference would be helpful in resolving any issues relating to this matter, the undersigned attorney may be contacted at 952.854.2700.

Respectfully submitted,
